

LESSON PLAN. SUBJECT: Community WEEK OF: September 28

1- TOPICS

Library and City Hall of St. Laurent

2- LEARNING GOAL

Finding out what services these two resources have to offer.

3- ESSENTIAL QUESTION

How can we access these community services?

4- COMPETENCIES

☒ Uses information ☒ Solves problems ☒ Exercises critical judgment

☒ Adopts effective work methods ☒ Communicates appropriately

5- LESSON

Introduction: Review the concept of community and discuss what services and facilities are available to residents.

Mini-Lesson: Focusing on the library, what does a public library have to offer? How to use this resource.

Guided Practice: You will visit the library and search for books on topics of interest. This may be an opportunity to begin your research for your project.

Problem Solving: How to find the resources that are available to the public.

6- EVIDENCE OF LEARNING

☒ Observation ☒ Discussion ☒ Class Work

7- CONNECTION / 7 Cs

☒ Community ☒ Critical Thinking ☒ Communication ☒ Courage

8- CONSOLIDATION

Prepare the first part of the Community Project using the library as a resource.
