Homework for September 28 at 9:00am

Imagine that tomorrow, Canada stopped importing goods from other countries.

You could only buy things produced in Canada

1. Look around your house and identify 5 things that might be difficult to replace if Canada could no longer trade with other countries. For each item answer:
 - a. What is it?
 - b. Where was it made?
 - c. What might you use instead of it if you could not import it?
2. Final question: Why would a country want to trade with other countries? (1-2 sentences)

Homework/upcoming work

- September 28: Quiz on what we covered for the week (slides on website)
- September 28 homework due: email or text me your work!
