Assessments	90%
Attendance and Participation	10%
Total	100%

How unit assessments are graded

Each of the eight unit assessments weights Knowledge & Understanding, Thinking & Inquiry, Application and Communication equally (25% of the assessment each).

Final assessments

The final exam and culminating activity together account for 25% of the course grade. The exam alone is listed at 15%.

Individual assessment weights are rounded for display. Assessments account for 90% of the overall course grade.
