

March Break Project 2026

Take a picture every school day
(Monday – Friday) of you doing
something interesting outdoors.

Add a

4-line rhyming poem

or a

5-line short story about the
event.

Examples on the next page.

I dive through drifts where the cold winds blow,
Arms carving waves in a sea of snow.
The sky my ceiling, the earth below,
I swim in silence, soft and slow.

We shoveled a rink that looked like a frozen war zone.
The puck spent more time lost in snow than on the ice.
Every wipeout was followed by, “I meant to do that.”
Our goalie stacked pillows under his jacket for protection.
By the end, we couldn’t feel our toes—but we were happy.
