A Month of Learning, Growth, and Gratitude

Celebrating the End of Term 1: Grades 10 and 11

And just like that, Term 1 has come to an end for our Grade 10 and 11 students! Report cards will be published this week, and we are delighted to share that, overall, the results are looking excellent.

The hard work, dedication, and perseverance of our students are truly paying off. Our emphasis on life skills has also provided wonderful opportunities for learning beyond the classroom.

Some of our recent adventures included visits to local fire stations and parks, an Indigenous ceremony at Vanier to put the Land to rest for the winter, and an outing to Île Notre-Dame.

Our Halloween celebrations brought another exciting opportunity for discovery. Students visited Jean-Talon Market to select pumpkins for decorating. There is always so much to discover and learn!

Grade 12: Looking Ahead to the Future

Our Grade 12 students are already well into Unit 2 of their courses, and their academic results have been impressive.

It is particularly gratifying to see our young people taking meaningful steps toward their university aspirations. Through research and independent work, they are preparing themselves for the challenges and opportunities ahead.

We are proud of their commitment and look forward to seeing all they will accomplish.

Learning Together

Growing in Our New Location

We are now well established in our new location, and it has been wonderful to see our school community settle into this new chapter.

A new space brings new possibilities, and we are excited about the opportunities it offers for continued growth and development. As more students apply, we look forward to expanding and welcoming new families into our school.

Our goal remains the same: to provide an environment where every student feels supported, encouraged, and inspired.

Upcoming Events: Remembering and Reflecting

Remembrance Day Lunch

Our Remembrance Day lunch will bring our community together in reflection and gratitude. This occasion reminds us of the importance of remembering those who have served and sacrificed, and of recognizing the values of peace, courage, and compassion.

December 6 Memorial on Mount Royal

We will also look ahead to the December 6 memorial on Mount Royal. This important occasion invites us to reflect on the tragic events of 1989 and to honour the memory of the fourteen women who lost their lives at École Polytechnique.

A Message of Gratitude to Our Families

As we reflect on the first months of the school year, we would like to extend our heartfelt thanks to the parents and families of our students.

Your encouragement, thoughtful messages, and kind words mean more than you may realize. These small gestures go a long way and remind us of the importance of the partnership between home and school.

Thank You!

Together, we make a difference.

LEARN • GROW • BELONG

Wishing everyone a wonderful November!
