

September 2023

Dear Parent(s),

Thank you for entrusting us with some of your child's academic, social, and emotional needs. I imagine the quest to find a school that accommodates and encourages your child's unique learning style has been long and frustrating. There will undoubtedly continue to be some challenging moments! At EdPlus we expect your child will be free to grow and develop the confidence to make a profound and positive difference in our world!

Our school calendar is available on the school's website. Please use the website to check in on your child's homework assignments and to see weekly photos of school events and outings.

We have two rules. **Be here. Do the work.** Students who are perpetually absent, late, or do not submit work, are not really in school.

Wednesdays (except for the first week) are **online days**. Your child needs a quiet space and a healthy computer to complete the required assignments. Learning online teaches students to work autonomously and prepares them for life beyond high school.

Please pay the tuition on the first of the month by e-transfer to edplusdep@gmail.com. Use the code **Plus2023** if one is required.

The school's email address edplusmtl@gmail.com is an excellent way to reach us.

If students must be absent, please have them contact us so that we can share academic updates. (We will contact you to confirm that the absence is legit!)

We will have a parent/teacher evening in October.

Our first day of classes is on September 6th at 9:30. It is a half-day that will end at noon. Pizza will be served!

Your child may bring a cellphone to school. **Please do not contact them during class!** If there is an emergency, please call Kim at the school. That will allow us to manage it at our end in the student's best interest.

EdPlus is an air-conditioned environment. Your child may want to bring a sweater to the school and leave it here if they find the classrooms too cool.

Fasten your seatbelt and hang on. The ride is about to begin!

James & Kim Watts
