Yesterday you performed an act of kindness. In Yiddish it is called a “Mitzvah”; an action that allowed you to briefly experience what it means to meet people where they are. You went to them and met a need. I heard from you that it felt good – and so it should. Today 24 people have warm socks to wear.

Make of list of 5 other acts of kindness we could do as a school for other needy groups. For each act, write a good point and a bad point. Remember, people who are homeless are not the only needy people in Montreal.
