

Art Assignment

FALL 2026

Song of Myself (2025 adaptation)

By: Walt Whitman

I sing a song about myself,
Because I'm glad to be alive.
Everything I see, touch, smell, and hear
Becomes part of me.
We all share this world— The air, the sun, the stars.
What I feel, others feel too.

The goal of the course is to explore your identity and your self-reflection.

The assignment begins this weekend and continues until October 15nd.

This is a presentation in any format.

You must respect the due-dates.
