

January 6, 2024

Dear Parent(s),

I trust that the holiday season brought joy to you and your family, and that you are all in good health as we start a new year. It's humbling to reflect on the global challenges faced by many, reinforcing our gratitude for the stability and blessings we experience here in Canada.

Education Plus resumes classes on January 9th. Today the Ministry of Education communicated with us their modified January exam schedule. We have revised our school calendar and have posted it on our website.

Wednesday classes will no longer be conducted online. This adjustment aligns with directives from the Ministry of Education. Our aim is to equip students with essential skills for independent and online learning—vital attributes for their academic journey and future workforce readiness. Our commitment to innovative education remains steadfast as we explore alternative methods to cater to the diverse needs of our students.

To brace for outdoor activities, students must come to school prepared with gloves, hats, boots, and jackets. Embracing the Norwegian proverb, "Det finnes ikke dårlig vær, bare dårlig klær!" which translates to "There is no bad weather, only bad clothes!" underscores our commitment to fostering resilience and adaptability in our students.

Your input is invaluable to us. Should you have any suggestions or concerns that can contribute to enhancing our role as educators for your child, please don't hesitate to reach out.

Wishing you and your family all the best in this new year,

James
