February 19, 2024

Dear Parents,

Attached is a copy of your child's Term 2 report card. Please feel free to contact me if you have any questions or concerns. The marks that appear at the end of each term are a calculation of many in-class assignments, homework, quizzes and, in some cases, final exams. Please do not request an extra project to make up for poor overall grades.

Let me take this moment to remind you of a few important details to ensure a smooth completion of the 2023- 2024 school year.

Absences and Lates

Please remember to ask your child to contact us when they are absent. Students can check the website for homework; however, the teaching they miss in class cannot be replicated. If he/she is going to be late for whatever reason, they may find the door locked upon arrival – even if you call, text or email with an excuse! It is time for them to be responsible for their own behavior. As we prepare for the reality of final exams in May/June, we will be stricter about tardiness.

Spring Break (March 1 - 11)

We are all looking forward to some time off! We hope you can enjoy some quality family time. Please remind your child to check the website daily for small assignments designed to keep them engaged in their learning.

Homework

We have noticed a significant disparity between work completed at home and assignments done in school. Homework is designed to reinforce learning that happens in the classroom. Students should be doing all their homework on their own without tutors or parental support. If extra help is needed, he/she can schedule a time to stay after school to get guidance from their teacher.

Tuition payment

Thank you for staying on top of the monthly payments. If you have not yet done so, please remember that March tuition is due on the 1st.

CEGEP

Some of our students are applying for the Fall session at CEGEP. We understand that this can be a stressful time of waiting anxiously for news. Please remember that this often takes weeks! We are excited to see our students moving forward and will continue to guide them towards a successful graduation!

Thanks for your input and cooperation.

Sincerely,

Kim Watts
Vice-Principal
